

Preparing for your travel call with the Fresenius Kidney Care Patient Travel Services team

We know planning for dialysis while traveling takes additional coordination. We are here to help you live your life to its fullest by providing tips and tools to make your trip go smoothly. Use this checklist to make sure you have all the information you need for your upcoming planning call with the Fresenius Kidney Care Patient Travel Services team. Having these items available will help our team plan for your travel needs and answer your questions.

- Doctor's name and phone number**
- Social worker's name and phone number**
- Your current dialysis center name and phone number**
- Insurance information** (Call your insurance provider before the call and ask for details about your kidney care and dialysis travel coverage.)
- Travel dates**
- Type of treatment requested**
- Requested dialysis center(s)**
- Emergency contact information**
- Current medication and allergy lists** (Your home center will send your medical records to the center you will be visiting while traveling. You do not need to bring them with you.)

We are here to help make sure your dialysis needs are met while traveling so you can feel your best! To begin planning for your trip, call the Fresenius Kidney Care Patient Travel Services team at **1-866-434-2597 (option 1)** Monday – Friday.
